I beg to return the application for patent of A.N.Jensen for the South West ¼ Section 14, Township 1, Range 25, West Fourth Meridian and to point out that you have omitted to explain why you did not recommend it. It is assumed, however, to be because of the absence of evidence as to the performance of the residence duties, for although Mr. Jensen claims to have been living in Aetna with his parents, he does not state whether it was upon farming land. Mr. W. C. Simmons, Advocate, of Cardston, writes stating that Mr. Hugh Park, who represented himself as a homesteader, built a frame house on the N. W. ¼ of 2--l-- W. 4th., and he (Timmons) placed a lien on the land for the lumber. Park, however, having incorrectly described the land, the lien was recorded against another quarter-section. Park is selling the land to a Mr. Fowler; and Mr. Timmons wants to the Department to Mr. T. D. Cheer for $112 (?) the lumber used in building the house and state that he (Timmons) believes that Timmons statement were made to the Department when Park relinquished and Fowler re-homesteaded the land.

Our records show that that section 4 the said N. W. ¼ of 2 was entered by Hugh Park for homestead purposes. Patent issued on the 17th March last, and that he stated in his application for entry and supplementary declaration that there were no improvements on the land.

I do not remember what we were in the matter, except perhaps that we have had letter whether further there were improvements and that it was referred to Mr. Fraser.

I am directed to acknowledge your letter of the 11th ultimo, respecting the matter of improvements on the S.E. ¼ 4-1-W. 4th M., The Agent at Dominion Lands at Lethbridge is being asked to get a Dominion Lands Inspector to report on whether there were any improvements on the land when it was entered for by Mr. Thos. A. France. In his application for entry for unsurveyed coal lands Mr. France stated that there were no improvements. However, he swore to only for that portion of the quarter section lying East of the river as the improvements are partially on that portion West of the river. Beyond the fact that on the 5th December last Mr. Park gave an explanation for an investigation of the above land it does not seem to have had any interest in it.

Re cedar and drive roads in connection with Hon. Peter Larkin's timber limits in [illegible].

[illegible] to our recent interview you and [illegible] and Mr. Shepard, respecting your request to [illegible] reservation made in the records of this Department in connection with the cedar and drive roads required for the [illegible] of timber from the timber berth, I beg to say that it would appear from the [illegible] that the lands affected are the N.E. ¼ of section 11, part of section 11 and all of section 12, in township 5, [illegible] part of the 5th Meridian. According to the records of this Department, letters were issued for the N.E. ¼ of section 11, N.E. ¼ of section 12, the S.E. ¼ of section 11, N.E. ¼ of section 12, without reservation for the roads in question. The patent for the S.E. ¼ of section 12 has not been issued but the N.E. ¼, S.W. ¼ and S.E. ¼ of section 11 are Crown lands, under the control of the Provincial Government.

On applying to Mr. Ells, for [illegible] Peter Larkin was informed that it was considered his interests were sufficiently protected by section 75 of the Dominion Lands Act, whereby all of the timber in question was reserved to him in connection with his request for a reservation for [illegible] roads across the N.E. and S.E. quarters of section 12, the respective homesteads

The homestead entry in this case was granted under the instructions of this Department subject to a reservation for a road to give the late Honourable Peter Pelletier access over the same to the river for the hauling of timber, etc..

The original file of papers, No. 599719, have been mislaid since August 1913, and cannot be found to ascertain the reason for the reservation.

I would point out however, that there is a statutory road allowance provided on the west of the section which gives access to the river, and in addition as no plan of any specified road across this Quarter section has been filed, the patent should be issued without reference to the road.

To the Secretary Department of the Interior

Dear Sir -

I have been notified by W. H. Cottingham, Agent Dom. Lands Red Deer that my entry for south west quarter Sec 20-37-1 W-5th M has been cancelled for non compliance with homestead duties.

I beg to state I have a small residence on the farm, have built a frame barn this spring have over fifteen acres in crop, have broken two acres this spring and am now living on the farm and have been on it since first of May, and intend to live on the place in the future and intend to break 40 acres this summer. I wish further to state I have had to work very hard for a living and have assisted my father in carrying

the mail to Pine Lake from Penhold.
I would consider it a great
injustice to be deprived of my
homestead at this time as I have
lived five months on it previous
this year and applied the Red

he says he never got the letter.

He made entry on the 4th of November, 1905; proceedings were instituted in September, 1907; an Inspector's report was made in April last, showing very little residence; and cancellation was carried out on the 1st of June last.

A protest was received from Mr. Logan and a further report has now been received from the Homestead Inspector showing that he has been in residence since the 1st of May last, and was, therefore, actually on the land when cancellation was carried out.

Improvements:-

{Log house 16 X 18 $45.00
Frame House 12 X 12
Frame stable 16 X 26 $10.00

The Inspector states:-

"At the time of my former visit the breaking had grown up and was unmerchantable not having been cultivated for two years. Mr. Logan has this year, however, replaughed & cropped the entire amount."

Dear Sir:

Re: Wm. Logan
Your File 599789

Upon being advised of the record of his age contained in your letter of June 6th, relative to the age given at the time he applied for patent to the S. W. 20-37-1-5, the above mentioned advises through his Secretary-Treasurer as follows:

"In 1911 he applied for patent, the government at that time would not accept one of the witnesses he took with him; he returned home and the following year took another man down and completed the application. His suggestion here is, that, part of the application was filled out in 1911 and was not completed till 1912; such a thing could happen I suppose."

If you have any information on file which would indicate such a circumstance, we would like to be advised; also, if Mr. Logan stated his age at the time he made entry on his homestead.

Thanking you, we are,

Yours truly,

William Logan.
Your Reference #10587.

I have your letter of the 9th instant and in reply, for your information, I am furnishing you with the age of Mr. Logan as shown by the different documents on file.

William Logan filed on this land as a homestead on the 4th November, 1905. He stated at that time that he was thirty-nine years of age.

In a declaration duly sworn to on the 9th May, 1906, in defence of the cancellation proceedings outstanding against his entry, he stated that he was thirty-nine years of age.

In a later delcaration duly sworn to on the 3rd December, 1907, he gave his age as forty-one years.

In his application for patent executed on the 4th August, 1911, he stated that he was forty-six years of age. This application for patent was completed by the evidence of witness Alfred G. Shaw on the 19th May, 1913, but the age of Mr. Logan does not appear on that document.

This is all the available information we have regarding the age of this man.

Dan McMartin.

In view of your telegram of the 20th instant I am enclosing a copy of my reply thereto of the following day relating to the above mentioned land. According to our records John McMartin filed on the above described land as a homestead on the 13th April, 1903; his address at that time was Leduc, Alberta.

When filing on this land he stated that he was a single man, born in the Province of Ontario, in the Dominion of Canada.

In his application for patent executed on the 10th August, 1907, he stated that he was 22 years of age and was a British subject in view of the nationality of his father.

He completed the required duties under the terms of his entry and patent issued in his favour bearing date of the 5th February, 1908.

It is noted that John McMartin, father, obtained patent for the S.W. 14-49-25-W.4th M. on the 20th July, 1898. In his application for patent executed on the 1st March, 1898, he stated that he was 50 years of age and was a British subject by birth.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

N.E. ¼ Sec. 18 Tp. 54 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Messrs. Munson & Allan have forwarded the application of Mr. Albert Charles Harrison, of Winnipeg, to purchase the surface rights of the North ½ of 16.5.1 West 5th Meridian, the land being required, so the applicant states, in connection with coal mining operations.

The land appears to be clear here. The Surveyor General reports that this land has been included in this season's scheme of survey.

The whole of the purchase money \$320.00, being the area at the usual one of \$2 an acre, has been paid; and I see no objection to the sale being allowed.

The south ½ of this section is applied for, for the same purpose, by Messrs. Osler & Company, on behalf of Mr. Merton. File 252054.

MEMORANDUM for the Minister:-

Two settlers, named O.B.McClary and F.Taylor, appointed one Tilbert Wills to make homestead entry for them. He selected the North West and South West quarters of Section 2, Township 46, Range 20, W.1, and paid the necessary fees. When the hom steaders came to examine their lands they found them to be very inferior and unsuitable for their needs, and they ask permission to be allowed to [illegible] and make re-entry elsewhere without paying fresh fees.

It [illegible] the practice of the Department to allow the withdrawal of homestead entry without the record of fraud [illegible], as, for instance, where the land is [illegible] by the ground being [illegible] in the survey [illegible], or [illegible] is unsuitable for the latter or for some [illegible] reason.

In the application under consideration there does not appear to have been any mistake beyond that Wills according to the homesteaders, showed a lack of judgment in making the selection.

Sir,

With reference to your letter of the 20th ultimo, which has apparently been held over in order that the matter about which you write could be submitted to the Minister, I beg to inform you that in consideration of the circumstances of the case it has been decided to permit Messrs.O.B.McClary and Erastus Taylor to exchange their homesteads without the payment of any additional fees. Mr.McClary apparently holds the N.W.¼ of Section 2, Township 46, Range 20, W.4, whih he wishes to relinquish and to acquire the N E.¼ of Section 10 in the same Township. Mr.Taylor's present homestead appears to be the S.W.¼ of Section 2, Township 46, Range 20, W.4., and he desires to exchange for the N.W.¼ of Section 10 in the same Township.

The Local Agent is being instructed to make the necessary transfers, provided of course the lands are vacant and available, and I am sending a copy of this letter to Messrs.McClary and Taylor at Duhamel P.O., for their information.

Dear Sir:-

I beg to make application to purchase or lease the fractional North East Quarter of Section 2, Township 52, Range 21, W 4th meridian. This fraction forms part of an island and I may state that I have purchased that part of the island lying in section 1 from the Canadian Pacific Ry Co. I believe the Government does not, as a rule, sell island lands but they might do so in this case as the land is low and swampy and in part covered with water. If this property cannot be bought, I would lease for a term of years, clearing it up and lessening the danger of fire as well as protecting the small amount of timber which lies close to the line between sections 1 & 2.

I will be greatly obliged to you for an early reply to my application as I propose doing work on my property this winter.

Memorandum to the

Commissioner of Dominion Lands.

Mr. Boyal, for the Agent at Edmonton, reports the application of Mr. J. A. Stephen, of that place, to purchase the north west quarter of Section 2, [illegible], Range [illegible] West of the 4th Meridian, and strongly recommends the application.

In this connection I would call your attention to file 501871, herewith, on which is correspondence from Mr. James Sutherland, who, as far back as December, 1898, made application for this and other sections. Mr. Sutherland's letter of the 27th February, 1899, is worth your perusal (5c911?), and you will see that Mr. Utter, in his letter of the 10th March following, speaks very highly of the Messrs. Sutherland.

Outside of the authority to grant application, there is no reason why the [illegible] applied for containing 40 acres [illegible] should not be sold at the current rate and upon the usual terms; but as there is a minute portion of it only in the North West quarter of the section, I think, if it be decided to sell the [illegible], this fact should be added, the sale being made to read as that portion of an island lying in the North half of Section 2, and containing 40 acres more or less. I attach herewith a sketch showing the position of the land applied for.

Calgary Alberta
March 22nd 1901

On March 4th 1901 I entered for A E ¼ Sec 12 Tp 31 Range 27, West 4th Mer which land was the land I wanted, during the year 1901 I was erroneously led to believe by one George Keating C P R Land Agent at Ogd, that my land was in Range 26 I therefore entered a "Declaration of abandonment" for above lands on June 12th 1901 and on March 22nd 1901 was granted entry for A E ¼, 12, 31, 26, 4. I now find that my original entry was right but since same was cancelled in books entry has been given for it to Frederick Thomas Doyle, as I have no desire to acquire A E ¼ 12. 31. 26. 4. as a homestead I desire to abandon entry for same, There are no improvements thereon

MEMORANDUM:

W. O. Cot', Esq., I.S.O.,
Controller, Land Patents Branch.

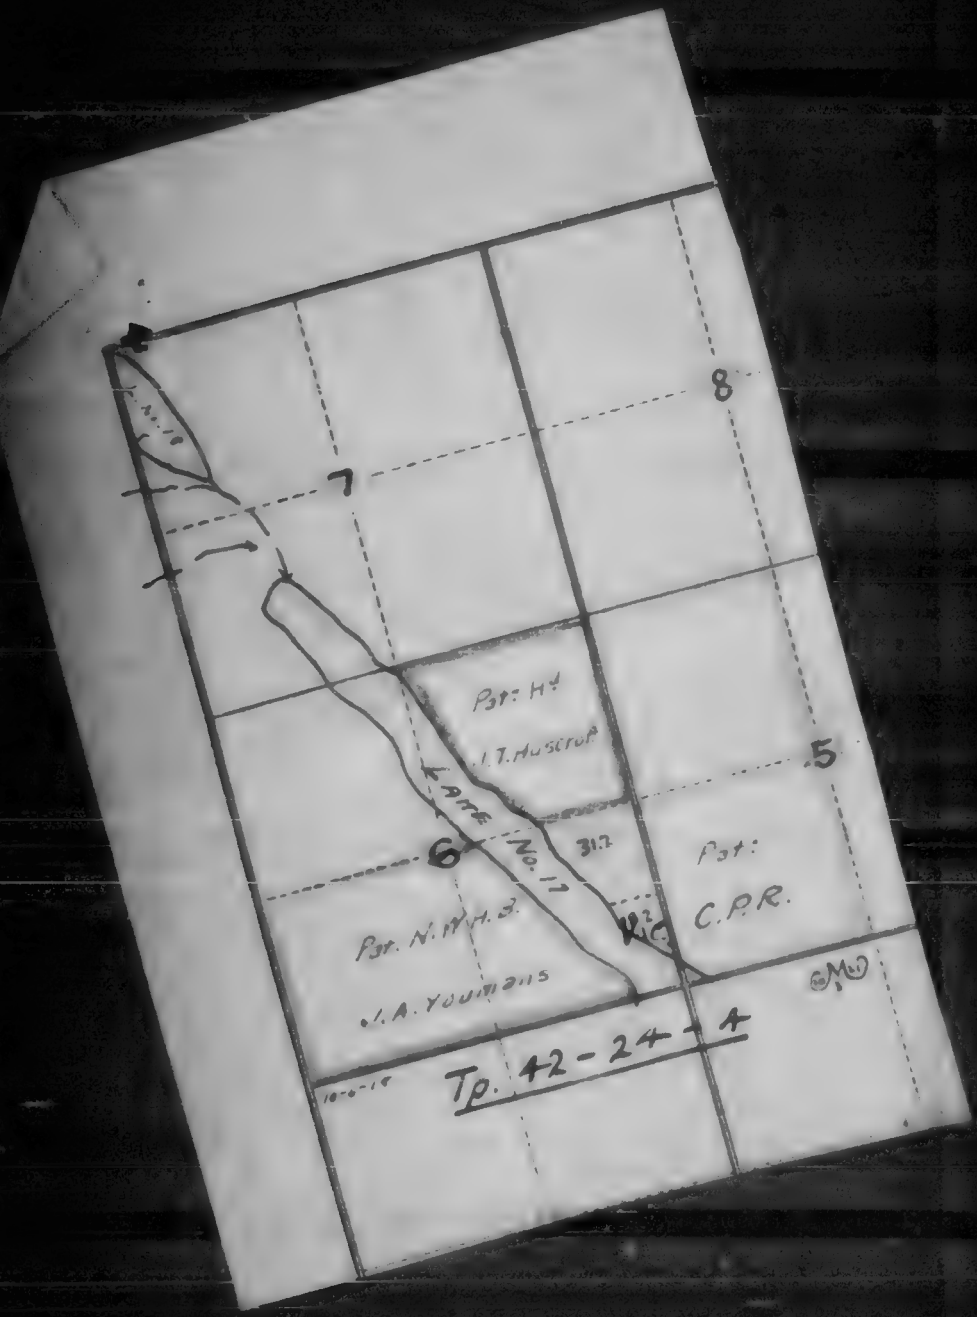

Application to purchase
fractional legal sub-
division 5 of section 6,
township 42, range 24,
west 4th Mer., lying east
of Lake No. 17. Containing
91.3 acres.
Shown on sketch herewith
coloured PINK.

I beg to submit for your consideration the application of Mr Ben Hanson to purchase the parcel above mentioned. The land is available according to the records of the Department and the applicant claims ownership of the adjoining west half of section 5 in the same township, shown outlined in YELLOW on the sketch herewith.

The Reclamation Service Branch does not offer any objection to the application being entertained and the Surveyor General states that the lake affecting the land has been classified as a permanent body of water not likely to dry up and render the whole quarter section suitable for homesteading.

The homestead inspector in his report, hereunder, states that about 40 acres of this fraction could be cultivated after being cleared of the poplars, the soil being fairly good, and recommends the sale thereof to Mr. Hanson at $10.00 an acre.

If a sale is authorised it will be subject to the applicant filing evidence of ownership of the south west quarter of section 5 aforesaid.

ELIGIBILITY FOR SOLDIER GRANT ENTRY.

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force,—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

No Soldier Grant Entry shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested or possessory interest in agricultural land of such area as, in the opinion of the Board, equals or exceeds the average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

## Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the claims of all persons claiming priority, the Agent shall receive all applications for entry referred to under the preceding section, if requested to do so, but shall issue no certificate for entry pursuant thereto until the close of the three hours of the day on which the prior right of entry is considered or until the expiration of the following day;

Provided that if the Agent is satisfied by written communication with the Sub-Agent or a local representative of the receipt in Ottawa of an application from a person claiming a prior right of entry for the land affected, and if no conflicting claim has been received from a person claiming a prior right of entry by reason of the priority of date of his entry or of commencement of residence on the land, he may, before the expiration of the three hours or the following day, as the case may be, issue a certificate for entry to the applicant appearing to possess the prior right, if such applicant has otherwise complied with the requirements of these regulations, and the Sub-Agent or local representative has been notified;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who is entitled to a preferential right of entry cannot appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but must refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Dear Sir:- Your File No. 10151.

I have been urgently pressing Mr Geo. Tollington, Meadow Creek, Alta., in the matter of his securing from you a Interim Receipt for his Homestead Entry for N. E. [illegible] - West 4th Meridian. He has had his receipt for Entry and Cancellation Fee from the Sub-Agent at Macleod since January 26/1901, but he states that there has been a long delay in the Cancellation proceedings against Mr. J. D. Moore. According to your letter of February 15/[illegible], File No.10151, to Mr Moore, the entry was to be protected until May 1st 1901, but as Mr. Moore did not go into residence or fulfil any of the required duties up to that time or ever up to the date of present writing, there seems to be no reason why Mr. Geo. Tollington should not receive his Homesteads Entry Certificate.

The reason the writer is interested in the matter is because of the financial assistance I am giving to Mr. G. Tollington, he [illegible] me for more money with which to buy[illegible] lumber and hire

Sir,

Replying to your letter of the 14th ultimo last, Ref. 19636, reporting the application of George Whalley to purchase the S.½ of 6--42--24 W. 4th M., I am directed to say that the land is clear as the records here, but the quarter section is broken by a lake running through the centre of it.

On your Ref. 19634, you have reported the application of William Whalley to purchase the S.½ of the section, said land is also clear here. If Mr. Geo. Whalley is allowed to purchase the portion of the S.½ lying east of the lake, as will also Mr. Wm. Whalley access to the lake. It has therefore been decided that, should you know of no reason to the contrary, the S.½ of that portion of the S.½ lying east of the lake containing 72.42 acres may be sold to Geo. Whalley and William Whalley, one to take the E.½ and the other to take the S.½, at the prescribed price, $2.50 per acre, the portion west of the lake, on the south side will be reserved as a section line or is now done. It is not thought advisable to sell that part of the S.½ lying west of the lake to Mr. George Whalley.

A patent will therefore issue to Mr. George Whalley for the application of James Whalley for the W.½ of this section, your application.

Sir,

I am in receipt of your letter of the 11th instant, in reference to the application for patent of Mr. Walter Blanchard for the South East quarter of section 11, Township 18, Range 2, West 5th Meridian.

In this connection I am to state that on looking into this application for patent it is found that the applicant has cultivated only thirty acres of breaking, whereas he should have fifty acres under cultivation as he has performed his residence duties on his entered free homestead.

It would appear that the thirty acres which Mr. Blanchard has under cultivation on this quarter section may be all the land that can reasonably be brought under cultivation on same, and in view of this fact it [illegible] decided to obtain a homestead inspector's report setting out whether the cultivation performed by Mr. Blanchard is equal to the cultivation of fifty acres on ordinary prairie land.

This report has not as yet come to hand, and until the same is received here no final action can be taken in connection with Mr. Blanchard's application.

Dear Sir,-

Mr. John Frederick Nielson recieved his reccomendation for Patent about two months ago and has been informed that his patent is being delayed on account of a transfer of one acre Reid School District. About one month ago I forwarded the Patent fee of $10. to Messrs. Conybear and Ives at Lethbridge to be forwarded to you.

Mr. Nielson wishes that the issuing of his Certificate of Title be no longer delayed on of account of the above mentioned School transfer and if the School District have not taken steps to complete it it is through no fault of his. He is very anxious that the Certificate of Title should be issued at once and if the School district have not completed their transfer he wishes the Pat ent at any case.

OFFICE OF THE

LETTER No 9516

REFERENCE No. 8029

Sir;-

One Louisant Lepesant made entry for lot 9 of the Battle River Settlement in June 1889 and he now claims that at the time he made such entry he supposed that his lot contained 160 acres; he now finds that it only contains 102 acres and he thinks he should get 160. It may be noticed, that this man made his entry in 1885 which to a certain extent demonstrates that thses parties knew perfectly well that if they desired to, they could have made entry for their respective holdings ere this and there does not seem to me to be the least excuse for their not doing so and complying with the regulations.

If L.S.12 of Sec.16 - 46 - 20 west 4th Meridian which is situated immediately in rear of this lot is stall vacant, I would suggest that this be added to it, thus making the entire lot 142 acres in all. I would also recommend that L.S.11 of the same section be added on to Lot 10 making it 147 acres in all.

Lot 11 is still vacant and lot 12 contains very nearly the required area, therefore, I would not advise that

I cannot quite understand how here is still 134 acres vacant, two Lots scrip & Sab. Lafournaise were placed on River Lots 9, 10, 11, 12 484 acres leaving 4 acres vacant. In March 9th, placed last scrip & Sarah Lafournaise, Cert. #2412 - 80 acres - on the S½ of the NW¼ Sec 16-46-21 W4th, which would be the extension of River Lots 9 and 10.

I was not aware that there was any extension of River Lots 11 and 12 but if it be I will make arrangements to place land scrip on it if open will permit me. So this not leave to be 40 acres vacant? Will there 40 acres and the 4 acres above here mentioned make the 444 acres.

Respecting the 4 acres mentioned

above, it would mean, according to the description, the most Easterly 4 acres of Rider Lot 12. This is taken up by a public Road passing through a border close to the road allowance, and would now be about or Rather you took leave out the 4 acres, and leave that for a public road?

I now assume be quite you so much thanks and will be much obliged to you for a speedy answer up of this matter.

Yours truly,
C. V. Richards.

With reference to your statement that the [illegible] plotted or [illegible] to be record as [illegible] of the land scrip of Isabelle Labrecane on the S ½ of the W ½ 16, there is no record in my books of this transaction and I shall be pleased to receive further information. Can you state the number of the official receipt [illegible] Miss Labrecane holds?

It would appear that this 80 acres and the 4 acres remaining unplotted in lot 12 are still vacant. Your request that the said 4 acres shall be allowed to remain in the Crown and used for road purposes is being communicated to the Department. Has the Regina Department of Public Works approved of this addition to the road allowance?

If it is not necessary to purchase the said 4 acres from any adjoining land the road allowance between Lots 12 & 13 where this is a reserved public watering place is a good road but it is quite open better that I should purchase this land please write to me, or draw on me through the merchants bank at Nelson in favour of the amount necessary to close the matter.

Sir,-

S.E. ¼ Sec. 4 Tp. 47 Rge. 20 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,

I beg to acknowledge the receipt of your letter of the 1st instant, and in reply thereto to say that your request for leave of absence from your homestead, S.E. ¼ of 20, 27, 2, west 4th, for a period of one year cannot be acceded to. It is contrary to the practice of the Department to grant leave for so long a time. If it will be of any service to you the local agent will be notified that it will be satisfactory if you are in residence for the interval of eight months necessary during the months of June next. You will find enclosed herewith a printed memorandum setting forth fully the requirements of the Dominion Lands Act and amendments thereto. You may, of course, take advantage of any of those provisions, but the Department does not undertake to furnish any counsel therein.

Should you find it absolutely necessary to be absent for so long at a time as you speak of, probably the best plan will be to forward your entry and obtain permission to take up another homestead after you are prepared to fulfil the conditions.

Sir,

I am directed to acknowledge the receipt of your letter of the 25th ultimo, Ref. 369924, enclosing a copy of a letter from the Agent of Dominion Lands at Calgary, submitting the application of Mr. Edward Bame to apply on the purchase of other lands the amount paid by him on account of the N.E.¼ of Section 34, Township 32, Range 2, West of the 5th Meridian, and in reply to say that, under the circumstances of the case, Mr. Bame's application may be granted provided the land to which the money is to be applied is selected before the transaction is completed. The Deputy Minister desires me to say, however, in this connection, that this practice must not be allowed to grow, and that it must never be resorted to except for the benefit of an actual settler in such a case as this.

I am further to say that the sum paid by Mr. Bame on account of the purchase of the quarter-section in question appears by the records here to be $264.45, $24.45 being on account of interest, and not $240 as stated by the Agent in his above mentioned letter.

A copy of this communication has been sent to Mr. Pearce.

Memorandum to the

Commissioner of Dominion Lands.

The Agent at Edmonton reports an application from W. A. Bush to purchase the North West quarter of Section 2, Town: 41 42, Range 25 West of the 4th Meridian. This land, covers 158 acres only, it being on the shore of Wizard Lake. It is timber in the records here, but as the sale will not affect the interests of anyone obtaining the Dominion Lands, and as the Agent sees no objection, I think the quarter section might be sold to Mr. Bush at the current rate and upon the usual terms, the first payment to be made on or before the 1st March next.

Mr. Alex. Bush, of Leduc, Alberta, makes application to purchase the fractional S. The Homesteader of this Aaron Hamilton McKenzie died in August of this year,and by his will appointed Bessie Parrott sole executrix, ~~and~~ leaving her the sum of $400,his daughter Mrs.Vela Wright $200 and the residue to his son Robert Donald McKenzie a boy of about 15.He practically left nothing but the homestead rights in the above.

The son who is left the bulk had the misfortune to lose a leg so is unable to do work on the homestead.

Mr,McKenzie resided upwards of three years on homestead,but fell short on improvements having cleared about 60 acres but only 12 broken.Has house valued at $300. is wife died on the place, and he was living in town with step daughter when he died.

Under the circumstances,the principal heir being partly crippled it is thought you may be willing to issue patent without further requirements.Trusting the matter will be favorably considered.

Yours truly

D.S.L. 36-36-27-4. 4th W.
Mr. of Entry J. Cole.
Entry granted 25th September, 1911.

---

Mr. Cole made application for patent on the 5th December, 1911, claiming residence in the vicinity as above. A red ink on Form 58 December, earned. He claimed only 7 acres broken. and 5 acres in crop thereon he should have 30 acres broken and 30 acres cropped.

A Homestead Inspector was instructed to visit the land and report as to whether the cultivation duties performed were equivalent to 60 acres of ordinary prairie land.

Homestead Inspector Perry reported in May, 1919, that the patentee had resided on the N.W.¼ 1-37-26-4. 4th W. from 1906 to the date of his report. Improvements - 1 mile fence, $ .00, cultivation

| 1914 | " | 5 | " |
| 1916 | " | 4 | " |
| 1918 | " | 5 | " |
| | Value $150.00 | | |

The Inspector states that only 10 acres were fit for cultivation. In his general remarks he set out that the land was too uneven for cultivation. From the report it would appear that the stock owned by the patentee was kept on his unbroken land and had not [illegible] the cultivated either for summer pasture or for winter feeding. In conclusion the Inspector recommended that the patentee be allowed to substitute stock. In this connection I would refer you to Mr. Reynolds memorandum of the 27th June, ultimo, also Mr. Perrin's endorsation thereon.

Mr. [illegible]

Mr. Wade was advised on the 7rd July that if he desired to comply with the regulations by substituting stock he should immediately communicate with the Department setting forth his intentions as the regulations require the whole quarter-section to be fenced and the stock kept on the homestead either for summer grazing or winter feeding.

On the 6th December the Agent returned here Mr. Wade's application for patent supported together with two supplementary statements, one dated 17th August, 1913, in which he claims to have broken a additional 5 acres and cropped 8; that he was the owner of 13 head of cattle and 7 horses kept on his purchased land, the N.E.¼ 14-37-26-4. 4th meridian; that the quarter-section had been all fenced by 3 wires - value $120.00, and that he had cleared 15 acres more of timber and brush - value $150.00. In the other supplementary statement dated 4th September, 1913, Mr. Wade claimed that he had broken 5 acres in 1913 and had 8 acres under crop.

Mr. [illegible] was advised on the 4th October that the evidence furnished in his supplementary statements showed that the stock owned by him had been maintained on land in the vicinity and not on the homestead as called for by the regulations and that if he were not in a position to furnish the Department with evidence that his stock had been kept on his homestead either for summer grazing or winter feeding it would be necessary for him to have stock on the land for a period either grazing or winter feeding for three years and then appear with his witnesses and execute a supplementary statement setting forth the evidence of such.

Solicitor Bishop has written the Department on behalf of the entry. In his letter he states that Mr. Wade is an old man in very poor health and that the delay in getting title is a source of worry to him and that he may not have made his statements clear but knows he has used his homestead for the purposes required by law. We make that any further [illegible] waived and that patent issue without further [illegible].

According to the evidence furnished it would seem quite clear that Mr. Wade did not keep the stock on his homestead for summer grazing or winter feeding but in view of the fact that the homestead inspector in his report of May, 1913, credited the entrant with 3 acres in crop valued at $15.00 and as the entrant in his supplementary statement dated 4th September, 1913, claims to have broken 5 additional acres and cropped 8 acres, also that the quarter-section has been fully fenced, and as the Inspector values the breaking at a little over $18.00 per acre I would suggest that the application be accepted as satisfactory with the stock owned by the entrant.

Dear Sir :-

Re S. W. 1/4 of 24 - 30 - 28 W. 4th.

Referring to our conversation of this morning when you told me that the government are now ready to accept payment from Miles Farrell. In December last Mr. Farrell left with me a sum of money with which to purchase scrip to be applied as first payment . Since that time however scrip has increased in price and Mr. Farrell will therefore have to forward an additional sum in order ~~to make~~ to purchase sufficient to make a first payment . I am therefore rewriting him to forward this sum and as soon as I receive his reply will advise you. In the meantime I would ask you to reserve this land for Mr. Farrell as he has been waiting for some time for an answer from the Government and their delay has occasioned the necessity for communicating with him again.

Yours truly,

C. S. Lott.

Dear Sir:-

I seem to be one of the unfortunate kind as you are aware I made application last fall for section 24 township 30 range 1 West of the fifth after getting the writing drawn up you told me I could not have it as Mr. Scarlet had made application for it then I went back to locate another section and when I came to the land office you told me Mr. Scarlet did not want the South half of 24 and I could have it but you would write Mr. Scarlet and see whether he was fully given up power to do conditions you said you would hold it for me then I made application for it and since I have arrived here to settle on the land I find the papers calls for section 24 township 30 range 28 which throws my land 6 miles apart there certainly has been a mistake in the number of range and it has not been on my part because you refused me that let me then said I could have it now I think I am the first man that applied for the south half of 24, Tw. 30, Ra. 1 and I should have it there is no improvements on it yet what can you do for me in this case

INTERIOR.

Dear Sir,- Re Furman - - -

Mr. John Furman of Boundary Creek is a homesteader on

and has completed most of his duties, but being a United States pensioner he is afraid of forfeiting his pension by taking out naturalization papers and wishes to know if the department will not, under the circumstances, allow him to purchase the land. Will you kindly make the necessary inquiries at the department and let me know what is the best they will do in the matter.

Yours truly,

Department of the Interior

Canada.

603671.

I.T. Ottawa 13th December, 1916.

Memorandum:-

This is an application from an American citizen to be allowed to secure a patent for his homestead without first making a British subject.

One Furman entered for the south east 1/4 of Sect'n 24, Township 1, Range 31, West of the 4th Meridian, and, according to representations made on his behalf, has probably completed the required period of residence, however, a pensioner of the United States government, and he terms that should he become naturalized his pension would be withdrawn.

The Dominion Lands Act prohibits the issue of patent to an alien hereafter, so that it will not be possible to waive this obligation.

Several applications have been made on behalf of Furman that he be allowed to purchase his homestead at one dollar per acre, but these have been refused, it being contrary to our practice to sell homesteads.

The matter has again been brought up by Mr. John Lemon, M.P., and I have prepared this memorandum by your direction in order that the same might be submitted

J.W. Greenway, Esq.,

Commissioner of Dominion Lands,

Ottawa.

submitted for the Minister's consideration.

The point is whether Furman should be told that he must become a British subject in order to obtain a patent, with the alternative of losing the land; or if the Department would sell it to him, and if so, upon what terms.

Respectfully submitted,

F. Fitz Roy Dixon

Dear Sirs.

Your favor of 8th Dec. duly received & I note your remarks re my application for patent of S.E. ¼ Sec 12 Tp 44 R 26 W 4th Mer. I may say I am not satisfied with the decision arrived at as I was fully under the impression that I had fulfilled the necessary conditions especially as after placing the information before you you advised me to make application for patent in your letter dated October 26th 1903. I do not quite understand how you could advise me to make application & then refuse the application when made. I enclose the two letters from you Sirs as there may be some mistake in the matter. & await your further reply hoping for a more favorable decision

Ottawa, January 21st, 1904.

Sir,

I beg to acknowledge the receipt of your letter of the 11th instant, in which you complain ~~that~~ the decision of the Department that you are not entitled to patent for the South-East quarter of Section 12, Township 44, Range 26, West of the Fourth Meridian, is at variance with the communication addressed to you on the 26th October last, setting forth that you were probably entitled to patent for this land.

In this connection I am to point out that, in the preliminary statement signed by you on the 16th October last, you claimed to have resided upon your homestead during two years and nine months and to have brought fifteen and one-half acres under cultivation. This, under ordinary circumstances, would satisfy the requirements of the Act, but, when your application for patent came to hand it was found that you had not been living upon your homestead but had been in residence with your parents, and, consequently, ~~and, consequently,~~ were required by the regulations to have, either thirty acres cultivated or to substitute therefor 20 head of stock with buildings for their accommodation and have besides 80 acres substantially fenced. These requirements you will find clearly set forth in the enclosed printed memorandum.

Enc.

It is hoped that, with this explanation, you may understand the position of the case.

Your obedient servant,

Secretary.

This land was offered for sale but was not disposed of, Mr. T. Ellis states that the water frontage on this section consists of cut banks from 150 to 175 feet high. Mr. Ellis did not however make a previous application for this quarter section, the only application being one from Cecil W. Mr. T.A.Ellis has therefore no special claim upon this quarter section, and as he has purchased the other [illegible] quarter which withdrawn from the reserve and offered for sale, I do not see that he should be given any special privileges.

Memo to Commissioner

James Walsh, of Macleod, files an application to purchase the North East quarter of Section 26, Township 8, Range 25 West of the 4th Meridian. He has homestead patent for the S.W.¼ of 36, and mine Sale patent for the N.W.¼ of 25, which two parcels adjoin that applied for.

Mr. Walsh states that he wants this land for grazing purposes; that it is very rocky and unfit for agricultural work, there being neither wood nor water on it.

The quarter section is clear here, and if also clear in the Agent's records I see no objection to selling it to him at the current rate and upon the usual terms, I am [illegible] no doubt that Mr. Walsh is a bona fide settler. The first instalment might be made by the [illegible] mail.

# Declaration of Abandonment.

In the Matter of the N ½ of section 20 Township 53 Range 21 W 4th Meridian.

Homestead / Pre-emption

J. Herman Falkenyer

solemnly declares:

That I made entry for the above mentioned lands at the Dominion Lands Office at Edmonton on the 23rd day of March 1910 and I now ask to have said entry cancelled, ~~and to be permitted to take up another homestead, for the reason~~ too much swamp and scrub and cannot get enough plough land on it to make a farm

That I have not sold, mortgaged or otherwise encumbered my said entry nor any part thereof, nor have I entered into any agreement or understanding, written or verbal, express or implied, with any person whomsoever, by which the title I may acquire from the Crown might enure directly or indirectly, in whole or in part, to the benefit of any person except myself.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of The Canada Evidence Act.

Memorandum:-

Mrs. Emily F. Robinson acquired a homestead entry for the N.W.¼ of 28, 42, 25, West 4th M., in December, 1899, and now wishes to purchase the land as she claims to be unable to fulfill the required duties owing to her health breaking down. She claims to have done 13 acres of breaking, of which 5 acres are under cultivation, and to have resided on the land continuously since March, 1900. She states that the quarter section is not a desirable one and asks that she might acquire it, on payment of $1.25 per acre.

Under instructions from the Commissioner, the Homestead Inspector has furnished a report in which he values the quarter section at $2.25 per acre, and I would recommend that Mrs. Robinson be allowed to purchase her homestead at the Inspector's valuation.

Respectfully submitted,

Acting Commissioner.

Dear Sir

I write to appeal to your sense of justice & your sympathy to apply to the Dept of the Interior on my behalf & ask them to grant me a certificate of entry for a homestead which I have selected and for which I applied & have received a letter from them stating that I have complied with the homestead regulations & that I am entitled to the certificate of entry upon the payment of $10.00 to the Dominion Land Agent at Calgary. I have made application to the Dept of the Interior for the certificate of entry & have forwarded the money to the Dominion Land Agent at Calgary to be paid over to the Dept when my homestead was confirmed & my papers returned. Cancellation papers to that effect were issued & the office of the Dominion Land Agent at Calgary informed me that I had forfeited my right on my homestead & that my money would be returned to me. I could not get my homestead but was told that I could take them out a part of mine that had been open.

Now I have my house on the land & have lived there for the time required by the Dominion Land Act & have made improvements on the land which I have not had time to complete owing to the fact that I have had to work for other people in order to support myself & family. I have not kept one night's sleep from the land since I made entry for it & have had to improve it, not only on my own behalf but my father-in-law's as he is now in his 74th year & unable to do much for himself. Sir,

I beg to acknowledge the receipt of your letter of the 21st ultimo, on the petition which has been filed on your behalf, but it is not possible to entertain it in view of the N.T.I/1 of 4 - 17 - 25, West 4, as the land has been re-entered by another settler. Your entry seems to have been properly cancelled in default of the performance of the settlement duties. Cancellation proceedings were instituted in the usual way, and, besides this, you executed a relinquishment of the entry in November last.

Should the person who now holds the entry fail to comply with the homestead conditions or any other qualification to the Agent to have cancellation notices issued, you could the quarter-section become available you might be allowed to make re-entry. In any case, this letter will serve as the authority for granting you another entry for any available land, on payment of the ordinary fee.

The Medicine Agent reports the application of Jeanne Robinson to homestead that portion of the West half of section 4, township 30, range 26 west of the 4th meridian, lying west of the Red Deer River. The Agent will not grant entry as, in his opinion, it would give Mr. Robinson too much river frontage.

I attach hereto a tracing showing the position of this tract of land, from which you will see that there does not appear to be very much good land, the river valley being more a cut of cutting between hills. CONFLICTING CLAIMS.

33 In the event of settlers being mere than one applicant claiming the prior right to enter under the preceding section, the priority of their claims shall be determined by the Board, and the respective settlers or the solicitors acting for them shall be notified by the Board of the time and place appointed for the hearing of the claims.

Provided further that on account of distance or other sufficient reason the Board may, at the request of any settler, appoint a person to take evidence on behalf of such settler, and may, upon the report of such person, decide the matter without requiring the attendance of such settler before the Board.

Provided also that if the Board is in doubt as to the priority of any applicant, it may refer the matter to the Board for consideration.

OTTAWA 2nd April, 1930.

Dear Sir:

Re: W.½ 4-39-26-W.4th M.
Bed of River.
Your reference - G.I.

I have your letter of the 22nd ultimo, and in reply I am to state that although the above described parcel of land was reserved at one time in connection with the proposed park at the Canyon on the Red Deer River, such reservation was cancelled and the land was made available for ordinary settlement, and was vested on the 27th July, 1922, as being available to the first eligible applicant.

It would, therefore, appear that at the time of the transfer of the natural resources to the Province of Alberta the land was vacant and available for disposal and what disposition is now to be made of same would appear to be a matter solely for the Province.

Yours very truly,

Sir,

I have received a request from Mr. Abraham Blank who purchased the N.W.¼ 32--2--5 W.2.M., from the Department, and has been notified to make a payment of $50, stating that he is unable to make the payment, but hopes to be able to make both payments on the 1st of November this year. From my inspection of these people I would strongly recommend that they be given every chance possible, and as Mr. Blank intends putting in 115 acres of flax this year, he will, if the crop is successful, be able to pay both instalments due the Government at the end of this year. He had two cars of wheat last year, but they were taken for some accounts owing to the Alameda Storekeepers. I should be glad if you could see your way to give him the extension asked for in this case.

Return File to Mr. Perera, with Commissioner's decision.

Memorandum:-

Abraham Blank applies for patent for the North West 1/4 of Section 20, Township 2, Range 5, West Second Meridian.-

He made entry on the 24th of March 1902, having previously held the land as a time sale, which was cancelled.

Messrs. Jones & Gordon, Barristers, Regina, acting on behalf of the Young Men's Hebrew Society, make a claim against the land for $227.15, money advanced to Blank under the Dominion Lands Act.

This lien, however, was never registered in the Department.

The Society in question made a number of advances to Hebrew settlers, the money having been deposited in bulk, the liens to be filed subsequently when executed. In very few cases, however, were the Society able to obtain the liens from the settlers. Apparently, this is one of these cases where they failed to do so, or the lien would have been filed.

Respectfully submitted.

Dear Sir/- --re A. Blank-N.W. 32-2[illegible]-W.2-

We wrote you on the 20th ult. herein stating that the Young Men's Hebrew Benevolent Society of Montreal had a lien under the Dominion Lands Act on the above property for $337.15 which lien was recorded at Alameda and asking you whether or not the lien was on record in your office. To that we do not seem to have had any reply. We understand that Blank is applying for a homestead patent for the land and of course wish to see that the patent issues subject to the lien which is not recorded in the Land Titles Office here. Will you please advise us in the matter at your earliest convenience and oblige.

Yours truly,

E.J.

Department of the Interior,

Ottawa, 13th July, 1905.

Memorandum :- 605334 -

To the Deputy Minister,

I think the subject of Mr. Dixon's memo.to the Commissioner of the 14th ultimo and my opinion as to the action to be taken by the Department with regard to the lien therein referred to should be brought to your knowledge before Messrs. Jones & Co. are advised.

Advances made under Clause 41 of the Dominion Lands Act, as amended, should be secured by acknowledgments made in accordance with the forms thereby provided. If advances are otherwise made unsecured the persons making the advances should not look to the Department to protect them for neglect in complying with the provisions enacted to protect such advances.

I think the action to be taken in this case is to advise Messrs. Jones & Co., Solicitors of the Young Men's Hebrew Benevolent Society of Montreal that Mr. Abraham Isaak is applying for his patent for the N.W.¼ 27-1-w-West 2nd M., but his application has been examined and he appears to be entitled to such patent ; that there is no encumbrance exercised by him under the provisions of Clause 41, as amended, of the Dominion Lands Act, in favour of the Young Mens' Hebrew Benevolent Society, to secure the amount mentioned in their letter of the 24th ultimo, and in previous correspondence, viz:- $227.1., or any amount, of record or on file in this Department.

Department, and that the Society must, therefore, take such steps, as may be thought fit and proper under the circumstances, to protect its rights in this matter, as the Department cannot aid it in any way.

Department of the Interior

Canada.

C.P.

Gentlemen,

I am in reply to your letter of the 27th ultimo, I am directed to inform you that Mr. Abraham Klunk's application for homestead entry for the N.W. of section 2, township 5, range 1, west 2nd meridian, has received the Commissioner's approval and the usual certificate of investigation has been forwarded to Mr. Klunk's agents at Alameda on the 14th instant. Steps will now be taken for the issue of the patent for the said land in Mr. Klunk's name.

There is no statutory lien in favour of the Yorkton Mutual Benevolent Society of Portland Place against the said land in this Department, but, as you state that a lien in this case has been registered with the Appeal of Dominion Lands, Alameda, a copy of your letter is being sent to the said Agent for his information, and if none shall be any report to this Department how the matter stands according to the records, and if such lien has been registered in the office he is to be supplied thereof to forward such copies to this Department.

In this connection I may call your attention to sub-clause 3 of Clause 21 of the Dominion Lands Act,

Dear Sir:- Re. N W 1/4 20 36 28 West 4th Meridian.

I made entry to the above quarter section on the 18th day of July 1900 and in January 1901 erected tents on the place and did work cutting brush and getting out timber for the purpose of building a homestead and fences upon the siad land. Your Department in aletter dated the 28th day of December 1900, extended the time within which I was to take up my residence upon the land until the first day of May 1901. Before the first day of May I had erected upon the land a log house of the dimensions of 32 by 16 and on the first day of May 1901 I was residing in the house and I and my family have been in actual and continuous occupation of the land and house ever since. I have broken at least twenty acres and have fenced the quarter section all about with wire fencing and built a cross fence and in all have put up two and a quarter miles of wire fencing upon the place. I also cut brush off thirty acres which is not yet ready for cultivation and have built a log barn of the dimensions of 85 by 16, besides three kraals for cattle and other outhouses. I am a Naturalized British subject. I am writing you this letter setting out the circumstances of my entry and occupation of the land, for the purpose, if possible, of obtaining the sanction of your Department to my obtaining the Patent to the said land at once. Hoping that you will feel inclined to consider favorably my application and grant my request,

25th March, 1935.

Dear Sir:

Re: I.R. 4-39-23-W.4th M.
W.I. 2-39-22-W.4th M.

I have your letter of the 1st instant and in reply beg to state that Mrs. A. J. Bowker as administratrix of the estate of Albert E. Dean, when making application for patent for the I.R. 4-39-23-W.4th M., furnished a Certificate of Naturalization in her own name bearing date of the 10th May, 1905. This document was returned to her on the 1st February, 1907.

It would appear that your mother then obtained as a Homestead, the S.E. 2-39-22-W.4th M., and in support of her application for patent for that parcel of land dated the 8th March, 1911, she again furnished her Certificate of Naturalization. In view of the fact that she had since re-married it was not considered that her own Certificate of Naturalization was sufficient and she was called upon to furnish her second husband's Certificate of Naturalization, which she did. This document was returned to her on the 21st April, 1911 to Olive P.O., Alberta.

Yours very truly,

J. Lorne Turner,
Director.

Sir,

In reply to your letter of the 10th instant,
I am sorry to have to acknowledge that the wrong name for
the District was inserted in the patent which issued to you
for the W½ ... W.4th M., and also in the patent for the
W½ 27 in the same township, and consequently the patents
were forwarded to the Registrar at Calgary instead of at
Regina. In almost instead of issuing certificates of
ownership which would have entailed the error and necessitated the
patents to be cancelled & issued. [illegible] attended to more readily and I trust it has been done all right.

**In the Matter** of the South half of Section 33

Homestead / Pre-emption

I, Andrew Wandrey of

do solemnly declare

That I made entry for the above mentioned Lands at the Dominion Lands Office at Edmonton on the 4th day of July 1900, and I now ask to have said entry cancelled, and be allowed to withdraw my application for the Crown grant thereof, namely:

(Here state reasons.) I find it very stony, and quite unfit for cultivation. I was originally shewn part of section 33, but the person who shewed it to me said it was section 28 therefore made my entry and immediately went to live on the NE¼ 33. 56. 20 W 4th, where I have lived ever since and where I am now living with my wife & family. There is no one sure to except myself & family living on NE¼ 33.

That I have not received, directly nor indirectly, any consideration for this application, nor do I expect to receive any such consideration, or any benefit or advantage of any kind whatsoever, for or in connection with the same.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath, and by virtue of The Canada Evidence Act, 1893.

Sir:-

This woman who is under the age of twenty-one years; arranged to sell her half-breed land scrip and located certain lands . She signed a Transfer of the lands but when this was forwarded to your Department for registration it was found that she could not legally transfer the land, being under the age of twenty-one years.

629280
633631

As the buyer required to convey a title to these lands at once the matter was blocked. If she were allowed to withdraw the location on these lands, she could locate the scrip on other lands which do not require to be dealt with until she is of age, and obtain a good price.

Kindly let us know if you will permit her to cancel the location of scrip on these lands and return the scrip. The present position of the matter is extremely embarrassing to a number of transactions and there it would appear that no harm can be done by permitting her to do this. We understand this has been permitted in similar cases.

PATENT BRANCH

Sir,

You have been recommended for patent for the N.E¼ of Section 30, Tp. 42, Rge 24 West of 4th Meridian which, according to the official plan of survey contains an area of 142 acres, the remainder of it being covered by the waters of a certain lake. As the waters of this lake may have receded, making the land which was then covered by water more or less fit for cultivation, it is possible that you may wish to have the patent for your homestead issued to cover the full theoretical area of 160 acres, which includes the land and the land covered by water.

If you desire the patent issued in this way, on your filing with the Department here a solemn declaration, a form of which is herewith enclosed, to be made in accordance with the provisions of "The Canada Evidence Act, 1893," that the land covered by the waters of the said lake, as shown upon the official township plan, is now dry, the patent can then be issued for the full theoretical area of 160 acres, more or less.

Your obedient servant,

Perley G. Keyes,

Secretary.

Sir,

I am directed to acknowledge the receipt of your letter of the 18th ultimo, in which you ask permission to dispose of certain burnt timber on your homestead, the South West quarter of Section 22, Township 48, Range 24, West of the 4th Meridian. In reply I am to say that the Dominion Lands Act provides that a homesteader may dispose of the timber on his homestead without a permit provided the same is sold to actual settlers for their own use on their homesteads. Provision was also been made that a homesteader may dispose of such timber as he is obliged to remove in the actual clearing of his land for cultivation purposes in the immediate future, in which event, however, he is required to secure a permit from the Crown Timber Agent in whose District he resides. When the permit is being returned to the Agent the permittee is required to take an affidavit to the effect that none of the timber cut thereunder has been taken from outside the boundaries of the tract which is being cleared for cultivation purposes. You will thus see that provided you dispose of the timber on your homestead to settlers for their own use on their homesteads you are

you are not obliged to take out a permit, but if you propose to dispose of it to other than homesteaders you can obtain a permit from the Crown Timber Agent at Edmonton, provided, of course, that you are actually clearing the land for cultivation purposes.
